

Munich RE 

Munich Re Investment Partners

Werkstudent/Praktikant/Intern Analyst (m/w/d)

Munich Re Investment Partners is the Munich Re Group's specialist asset management boutique focused on market-driven investment solutions for climate-committed institutional asset owners. Our goal is to deliver financial performance and contribute to climate mitigation through innovative investment solutions.

What we offer:

We are offering you the opportunity to gain insights about the future of climate driven investing in an exciting international environment, together with a great team. You will be exposed to researching and analysing new markets and assets, developing investment strategies and finding new trends in the industry. As an Intern Analyst at Munich Re Investment Partners you will have the opportunity to work alongside our industry experts in the Portfolio Management team.

KEY POINTS

Job title:
Werkstudent/Praktikant/Intern Analyst
(m/w/d)
Location: Munich, Germany
Start date: earliest date possible

Munich RE 

Munich Re Investment Partners

Werkstudent/Praktikant/Intern Analyst (m/w/d)

Your tasks:

- Assist Portfolio Management to prepare market and research commentaries
- Contribute towards research efforts on new markets, products and trade ideas (liquidity constraints, competition, regulation, etc.)
- Help prepare regular reportings on our funds to internal and external stakeholders (current market environment, development of relevant KPIs, etc.)
- Assist in other day-to-day task of the team

Your qualification:

- You are doing a Master in economics, maths or a related field
- Basic know-how in capital markets, finance and investment management (e.g. through internships, studies, etc.)
- Microsoft Office skills, especially Excel
- Proficiency in English and German (written & spoken)
- Reliable and precise

We look forward to receiving your application including a motivation letter and a CV via hr@munichreinvestmentpartners.com. Please highlight your expected duration and earliest possible starting date.
