

Discover your Opportunities at Allianz

Intern (m/f) in Global Investment Planning at Allianz Investment Management SE, Munich

Allianz is the home for those who dare – a supportive place where you can take the initiative to grow and to actively strengthen our global leadership position. By truly caring about people – both its 85 million private and corporate customers and more than 142,000 employees – Allianz fosters a culture where its employees are empowered to collaborate, perform, embrace trends and challenge the industry. Our main ambition is to be our customers' trusted partner, instilling them with the confidence to grow. If you dare, join us at Allianz Group.

Investment management is a core element of the insurance business. At Allianz, investment management is performed by a global function, Allianz Investment Management (AIM). We are responsible for managing approximately € 640 bn in diverse long-term investments. Our global network of operations spans from Munich and Stuttgart to Milan, Paris, Minneapolis and Singapore and offers multifaceted career opportunities for outstanding financial talents. AIM provides the perfect opportunity to embark on or continue your international career.

Your new duties and responsibilities

As an intern with AIM SE, the investment management arm of Allianz Group based in Munich, you will be supporting the global investment planning and controlling team.

Key Responsibilities

- Global investment planning and controlling (e.g. contributing to investment income planning, performance calculations, data analysis etc.)
- Assist in the global investment peer group analysis of Allianz
- Work with and further develop a global investment planning tool
- Support internal projects concerning the investment planning process
- Ad hoc requests (e.g. data analysis, preparation of presentations, capital market research, etc.).

Key Requirements/Skills/Experience

Qualifications

- Advanced stage of your degree in Business Administration, Economics, Business Informatics or Mathematics with a strong interest in capital markets, finance or accounting (IFRS).
- Very good knowledge of MS Excel, MS PowerPoint and MS Word.

Experience & Key skills

- Strong analytical and data handling skills; experience in handling and interpreting large data sets is a plus
- Attention to detail without getting lost in the big picture
- Excellent team player enjoying to work in an international environment; fluency in English required
- In depth academic knowledge of and strong interest in capital markets
- Excellent academic grades
- Prior working experiences through internships would be a plus

Additional Information

Reference Code AIMS-4493463-2

Job start: February or March 2017

Duration: at least 2 months (full-time), with possible part-time extension as a working student

You must be registered as a student for the entire duration of the internship / working student job.

Please submit your complete application documents (incl. CV, certificates, references and motivation letter)
