Interns (m/f/d) in Digital@Investment team at Allianz Investment Management SE, Munich

Job Purpose/Role
As an integral part of the Digital@Investment team at Allianz Investment Management SE (AIM) you will be supporting the digitalization of the investment management function and contribute to digital community building across AIM and with other Allianz entities.

Key Responsibilities
• Automatization of use cases along the investment value chain (e.g. development of tools for automatic generation of reports supporting investment decisions)
• Support AIM digital community activities, such as organization of meet-ups for best practice sharing or training sessions for coworkers
• Ad-hoc requests (e.g. portfolio and data analysis, basic investment research on Bloomberg)
• Maintenance of department-specific information platforms (Allianz Connect, Sharepoint)

Key Requirements/Skills/Experience
• Strong analytical and data analysis skills
• Excellent team player and enjoys working in an international environment
• Quick learners with a strong sense of personal responsibility and technical orientation
• Prior working experiences through internships would be a plus

Qualifications and skills
• Ideally at the end of a Bachelor’s program / beginning of Master’s in Business Administration, Economics, Statistics, (Financial) Mathematics, Computer Science, Data Science, Physics
• Very good knowledge of MS Excel, MS Access
• Good programming skills in VBA, R or Python
**Allianz is the home for those who dare** – a supportive place where you can take the initiative to grow and to actively strengthen our global leadership position. By truly caring about people – both its 85 million private and corporate customers and more than 142,000 employees – Allianz fosters a culture where its employees are empowered to collaborate, perform, embrace trends and challenge the industry. Our main ambition is to be our customers’ trusted partner, instilling them with the confidence to grow. If you dare, join us at Allianz Group.

Allianz is an equal opportunity employer. Everybody is welcome, regardless of other characteristics such as gender, age, origin, nationality, race or ethnicity, religion, disability, or sexual orientation.

Allianz Investment Management (AIM) is the investment management arm of the Allianz Group, responsible for managing the risk/return profile of its EUR 650 bn investment portfolio. Our global network of more than 500 employees in over 60 countries is organized in regional hubs located in Munich, Milan, Minneapolis, Paris, and Singapore. It offers multifaceted career opportunities for outstanding investment talents. AIM provides the perfect opportunity to embark on or continue your international career.

If you are interested in the position described above and think you have the right profile, please submit your full application documents (incl. CV, certificates, references and motivation letter) at www.allianz.com/careers.

AIM continues to grow and supports its employees to do the same. We believe that work should be rewarding, and that good work should be rewarded. We offer opportunities and strive for excellence. And our actions are guided first and foremost by high ethical standards and our sense of commitment to society. Everyone is welcome to apply, regardless of gender, ethnicity, age, nationality, religion, or disability.
