Intern or working student (m/f/d) in Digital@Investment team at Allianz Investment Management SE, Munich

Job Purpose/Role
As an integral part of the Digital@Investments initiative you will support a dedicated project on developing and rolling-out an in-house developed portfolio simulation tool. You will work together with Allianz Entities globally in supporting them during the tool roll-out as well as managing the introduction of new features to them. You will be part of a small developer team from various departments within Allianz Investment Management (Asset Liability Management, Financial Control/Risk, AIM Singapore) This gives you the chance to contribute to a global start-up like environment within a large company.

Key Responsibilities
As an intern/working student, you will:
- Work with an in-house developed portfolio simulation tool
- Support the tool roll-out to Allianz entities globally
- Manage and support tool enhancements and bug-fixing

Key Requirements/Skills/Experience
Qualifications:
- Your studies are related to Mathematics, IT, Finance, Statistics with a relation to investments and capital markets
- You are familiar with financial modelling (bond pricing, derivatives, yield curves, ..)
- Good knowledge in object-oriented programming language required (C# or Java is a plus)

Experience & Key skills:
- You are interested in capital markets and portfolio management
- You have a basis knowledge in coding and are willing to learn more on the job
- You are fluent in English
- You can work independently within a very international and dynamic environment
**Additional Information**

You must be registered as student for the entire duration of the internship/working student job.

Entry date at March.01.2020 or later, Full-time/Part-time

**Reference Code**
AIMS-7073387-2

Allianz is the home for those who dare – a supportive place where you can take the initiative to grow and to actively strengthen our global leadership position. By truly caring about people – both its 85 million private and corporate customers and more than 142,000 employees – Allianz fosters a culture where its employees are empowered to collaborate, perform, embrace trends and challenge the industry. Our main ambition is to be our customers’ trusted partner, instilling them with the confidence to grow. If you dare, join us at Allianz Group.

Allianz is an equal opportunity employer. Everybody is welcome, regardless of other characteristics such as gender, age, origin, nationality, race or ethnicity, religion, disability, or sexual orientation.

Allianz Investment Management (AIM) is the investment management arm of the Allianz Group, responsible for managing the risk/return profile of its EUR 650 bn investment portfolio. Our global network of more than 500 employees in over 60 countries is organized in regional hubs located in Munich, Milan, Minneapolis, Paris, and Singapore. It offers multifaceted career opportunities for outstanding investment talents. AIM provides the perfect opportunity to embark on or continue your international career.

If you are interested in the position described above and think you have the right profile, please submit your full application documents (incl. CV, certificates, references and motivation letter) at www.allianz.com/careers.

AIM continues to grow and supports its employees to do the same. We believe that work should be rewarding, and that good work should be rewarded. We offer opportunities and strive for excellence. And our actions are guided first and foremost by high ethical standards and our sense of commitment to society. Everyone is welcome to apply, regardless of gender, ethnicity, age, nationality, religion, or disability.
